WHY PARTICIPATE?

By participating in this mission you will be able to develop your business in the United States by meeting relevant American partners and business stakeholders through B2B meetings, presentation of public tenders and conference pitching.

You will be part of a large European smart city and cleantech delegation attending tailor-made events in New York City and Boston.

Your company will be introduced to stakeholders in smart city and cleantech projects in New York City as well as in other cities in New York state, such as Albany, Rochester, Syracuse and Buffalo.

The last two days you will be exposed to hundreds of potential business partners at the Horizon 19 conference in Boston, where the mission will have a common pitching area.

In addition, you will have the opportunity to make business connections within the 40 European companies participating in the mission.

HORIZON 19

Horizon 19 is a global event-driven platform that harnesses the international movement towards a clean economy. Horizon 19 will bring together 2000+ global leaders from business, finance, cities, states and countries.
