New York City

March 21-25, 2022

SmartCityTech Matchmaking Mission

Co-funded by the
COSME programme
of the European Union

15:00-15:05 Welcome and introduction to today's program

The mission's background, locations, sector focus, and delegation.

15:05-15:15 The Opportunities

Why the state of New York and the green building focus?

15:15-15:25 The Markets

Understand what makes NYC and Ithaca interesting.

15:25-15:35 The Program

The mission agenda, the US stakeholders and their challenges.

15:35-15:45 The Commitment

Business Group New York and how to become a part of it.

15:45-15:50 Dialog and question time

Ask questions regarding the mission, markets, or stakeholders.

15:50 Thank you for today

Calling all companies within
sustainable building management &
individual heat and energy supply!

The SmartCityTech Partnership
hereby invites you to join our
matchmaking mission to New York
City and the town of Ithaca.

If you are interested in getting an
introduction to the locations, sector
focus, challenges and stakeholders,
please register for our kick-off
webinar. You will also learn how we
intend to structure the mission from
kick-off to post-mission evaluation.

KICK-OFF WEBINAR

January 12th at 15:00-16:00 CET.

Host: Green Hub Denmark, partner in SmartCityTech.
